

Prior to being on the NJ Do Not Call List we were constantly bothered by phone solicitations at meal time and throughout the day. I have an 80 year old mother, therefore, I take every call coming into my home, not knowing if she is calling with an emergency. Since signing on to NJ Do Not Call our needless calls have stopped and my phone is now available for calls of importance. I do not wish to be bothered with annoying calls in the future. Please keep NJ's program. Thank You
